

# West-MEC

Strategic Plan 2016-2019

---

## Mission Statement

Preparing students today for tomorrow's careers.

## Vision Statement

Empower all students to participate fully in the economy by providing and enhancing Career and Technical Education.

---

## Vision Elements (VE) and Goals (G)

- (VE)** West-MEC provides all students with a quality educational experience.
  - (G)** The Career and Technical Education Delivery Model drives student learning.
  - (G)** Students and alumni benefit from resources and services.
  - (G)** Evaluation practices enhance student engagement, achievement and continued success.
  - (G)** Learning environments exemplify the highest industry standards and technological capabilities.
  - (G)** Member districts advance from resources, professional support and quality program reviews.
  - (G)** All teachers receive resources and professional support.
  
- (VE)** West-MEC creates and maintains systems to achieve organizational excellence.
  - (G)** A sound financial plan sustains West-MEC's fiscal well-being.
  - (G)** Effective and efficient communication systems strengthen district connections.
  - (G)** Human resources ensure the health and overall well-being for all employees.
  - (G)** Universally available professional development actuates personal growth.
  - (G)** Information technology and Facilities/Maintenance actively support West-MEC operations.
  
- (VE)** West-MEC establishes and maintains relationships with the community at large, including business and industry, non-profit organizations and governmental agencies.
  - (G)** Business, industry, and community members recognize and support West-MEC's Mission and Vision, program development, and the benefits it provides to local and statewide communities.
  - (G)** A wide variety of opportunities for West-MEC staff to advocate at the local, state and national levels will strengthen West-MEC's ability to achieve its mission.
