## Advisory Council Agenda

<i>Item</i>	<i>Notes</i>
<i>Call to Order</i>	(Chair calls the meeting to order) 6:00 PM
<i>Welcome/Introductions</i>	Introduce members and guests
<i>Approval of Minutes</i>	(Committee review and approves the previous meeting minutes)
<i>Previous Business</i>	Discussion on I-Car golf tournament. What I-Cars goals were and who will benefit from proceeds. Glenn Zeldin with I-Car commented that local Automotive Collision Programs can put together a wish list of items that may be donated using the proceeds. We discussed budget items which sometimes are difficult to acquire with current budgets.
<i>Discussion</i>	Discussions included AZ state standards indicators 5.0 Perform Welding and cutting and 11.0 Determine paint defects.
➤ <i>Assessment</i>	Jason Lee of Penske Automotive commented on standards and asked about A/C instruction. He said Students should have basic training on responsible Evacuation and Recharging of Automotive air conditioning.
➤ <i>Community</i>	We had Ken Martin from Bell Ford and Luis Saldana one of my old students discuss the similarities in in School training VS. an Auto Collision Facility. He said he felt that the training he received was a sufficient lead into employment and it was aligned pretty well with industry.
➤ <i>Curriculum</i>	
➤ <i>CTSO</i>	
➤ <i>Employment</i>	Some discussion was directed into overall State licensing of Collision Repair shops in AZ. Other states do this and it helps promote quality in repair and accountability.
➤ <i>Program Review</i>	
➤ <i>Staff Development</i>	David announced the rollout of Job shadow opportunity for West-MEC students and the support of shops around our boundaries. There was much interest in hosting students with job shadow locations. Chris Laws of Sherwin Williams provided contacts for our students as well as Tim Theiler of Finish Masters.
➤ <i>Recruitment</i>	The date for the I-Car Job fair is set at April 7 -2018
<i>Good of the Order</i>	(Chair asks for any additional items to discuss) No additional comments offered.
<i>Future Meeting Days</i>	(Scheduling upcoming meetings) TBD
<i>Adjourn</i>	(Chair adjourns the meeting) 7:20 PM
