Agenda Items:

shops that the students could attend. Students will do a second job shadowing event again for only year 2 for March and April with 13 Students with Work to School in end of April and May. Benefit for the students to have mock interviews, resume building, and experience with communication.

6. Upcoming events: Fall Leadership - SkillsUSA

Fall leadership conference will be October 16 for SkillsUSA. Students will spend the day and learn soft skills. The students will then have a signature event car show and open house of the West-MEC auto collision event. November 4 Golf Tournament for I-Car along with West-MEC helping out during the event. I-Car job fair will be in April.

7. Comments from Industry. Comments from Parents/Students.

No comments at the time.

8. Budget Information NATEF 6.2

Follow up on Lacquer Thinner Mixer with Sherwin Williams since it won't heat anymore.

Schools need to complete the Collision Repair Education Foundation with I-Car to fill out survey and submit to the foundation for purchasing big ticket items as well as get in-kind donations from all companies in the industry.

9. AZCTE Standards covered NATEF 6.4

Students do go over the AZCTE, ASE, I-Car, and NATEF standards. Important for the students to have an understanding that all areas are connected.

10. Closing /comments

Meeting Adjourned at 6:54 PM
