# HOSPITALITY

Project SEARCH is an international program model empowering young adults with disabilities to make a successful transition from school to adult life. Participants will be taught relevant, marketable skills while immersed in the working world.

## Hospitality | 1080 hours

Project Search - Hospitality at the Renaissance Glendale Hotel & Spa provides young adults with disabilities quality unpaid internships for hands-on training and career exploration. The program takes place entirely within the host business, Renaissance Glendale Hotel & Spa, where total immersion in the workplace facilitates the teaching and learning process through continuous feedback and the acquisition of employability and competitive work skills. The goal for each intern upon completion of the program is competitive employment in the community.
