ASU Partnership Program

Maximize Your Transfer Credit with an AAS to BAS Pathway to ASU

West-MEC

New College of Interdisciplinary Arts and Sciences
Arizona State University
ASU Partnership Programs

Associate of Applied Science (AAS) to Bachelor of Applied Science (BAS)

Students completing an Associate of Applied Science from a Maricopa Community College can earn a Bachelor of Applied Science (BAS) at ASU. Students completing an AAS from a Maricopa Community College receive 60-75 credits in transfer toward a BAS degree at ASU, thus requiring a maximum of only 60 additional credits to complete their BAS at ASU.
