I understand that my CPAT results will be placed in a data bank kept by Glendale Community College. I give Glendale Community College permission to release my information regarding the CPAT that may include my social security number, address, gender and race to requesting agencies. I understand that I will not receive a card or other written material indicating my results on the CPAT. I understand that some licensed agencies may not accept the results of the Glendale Community College CPAT, and I may have to take those agencies CPAT or other physical ability test to meet their specific qualifications. The time frame in which CPAT results are accepted vary among licensed agencies (i.e. City "A" may accept results for six months while City "B" will accept the results for one year). Glendale Community College cannot guarantee our test results will match the time frame set by any particular CPAT licensed agency.
