- This industry credential is required for employment in the field a majority of the time.
  - AZ Board of Cosmetology License in Aesthetician
CERTIFICATION INCLUDED IN STUDENT'S REGISTRATION FEE

- Eyelash Extension Certification

CAREER PATHWAYS

- Aesthetician/Esthetician, skincare specialist, make-up artist, cosmetic sales or product representative, may work at salons, spas, resorts, dermatologist or plastic surgeon offices, or in the future may become a salon owner or franchisee*, salon management or coordinator*, instructor*, CTE teacher*
- Entry-level salary range: $12.15*** - $13.77 per hour**

  *with additional education in this pathway | **Bureau of Labor Statistics, Occupational Employment & Wages | ***AZ minimum wage

LOCATION & HOURS

West-MEC Northwest Campus: (Transportation provided by the student/parent)
13201 W. Grand Avenue
Surprise, AZ 85374
623.877.6914

Session 1: 11:30 AM - 2:40 PM
Session 2: 3:15 PM - 6:25 PM
First day of class: August 1st

Program information may change as West-MEC strives to provide the best opportunities for students. Refer to www.west-mec.edu for most current information.

Program is taught by industry certified instructors. West-MEC does not discriminate on the basis of race, color, national origin, gender, age, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations.

Revised 9/8/2021
ENROLLMENT INFORMATION

- West-MEC programs are competitive.
- Students may only be enrolled in one West-MEC Central Program at a time.
- The order for filling seats by grade level is as follows:
  - Current Juniors
  - Current Seniors
- Applications are ranked in part by attendance, GPA, discipline, and career choice (ECAP)
- Copy of birth certificate and immunizations due at the time of registration
- Program hours are not excused for participation in extracurricular activities, athletics, or employment.
- West-MEC priority application submission date is in February. Contact your school counselors for your school’s application deadline.
- West-MEC provides accommodations and modifications identified in the IEP/504 for high school students. Students who graduate from high school or have a GED will not be eligible for IEP services. Graduated students will need to self-advocate for reasonable accommodations that are aligned to industry certifications.

STUDENT SUCCESS INDICATORS

- History of good attendance and discipline (Students who do not complete 100% of the required hours and/or do not earn a grade of 80% or higher each semester may be withdrawn from the program.), and on track for graduation
- Strong interest in a chosen career pathway
- Strong hand-eye coordination with fine motor skills and stamina
- Manual dexterity and physical ability to use tools, equipment, and machinery
- Ability to get along with other students and cooperate with instructor
- Ability to work accurately/follow procedures to an industry-standard
- Ability to practice all procedures on each other (Certain medication may be contraindicated for services and may negatively impact student ability to participate fully)
- Strong technical reading and study skills; the textbook for this course is written at the college reading level

Revised 9/8/2021
ENROLLMENT INFORMATION

- West-MEC programs are competitive.
- Students may only be enrolled in one West-MEC Central Program at a time.
- The order for filling seats by grade level is as follows:
  - Current Sophomores
  - Current Juniors*
  - Current Seniors*
- Applications are ranked, in part, by attendance, GPA, discipline, and career choice (ECAP)
- Copy of birth certificate and immunizations due at time of registration
- Program hours are not excused for participation in extracurricular activities, athletics, or employment.
- West-MEC priority application submission date is in February. Contact your school counselors for your school’s application deadline.
- West-MEC provides accommodations and modifications identified in the IEP/504 for high school students. Students who graduate from high school or have a GED will not be eligible for IEP services. Graduated students will need to self-advocate for reasonable accommodations which are aligned to industry certifications.

STUDENT SUCCESS INDICATORS

- History of good attendance and discipline, and on track for graduation
- Strong interest in chosen career pathway
- Ability to get along with other students and cooperate with instructor
- Ability to work accurately/follow procedures to an industry-standard
- Sequencing-ability to determine & follow a logical or defined series of steps in a sequential manner
- Positive attitude toward work including tasks of minimal interest
- Strong technical reading and study skills; the textbook for this course is written at the college reading level

CREDITS ISSUED BY WEST-MEC

- High School - 6 elective credits (3 elective credits per year; credits are awarded each semester)
- This program satisfies AZ university’s admissions requirements. (AZ Board of Regents CTE/Fine Arts credit)

Post-Secondary Opportunities (Optional)

- West-MEC has a strong partnership with Maricopa Colleges and we strive to provide robust post-secondary opportunities for students.
- Dual Enrollment is for eligible High School students who want to earn college credits while taking West-MEC courses.
- Students can earn community college credit for classes, and upon graduation, transfer the credits towards specific degrees at community college or university.
- High school graduates or students with a GED are not eligible to participate in Dual Enrollment.
- Due to staffing and curriculum changes, we advise the following:
  - Dual Enrollment is offered based on West-MEC faculty qualifications.
  - Dual Enrollment may not be offered in every program or on every campus.
  - Dual Enrollment credit offerings and college pathways are finalized every year during the first month of school.
- Post-secondary pathways, including Dual Enrollment, are updated at west-mec.edu/dual-enrollment
Collision Repair & Refinishing

TWO-YEAR PROGRAM - 600-hour program
• Breathe life into damaged vehicles by restoring them to pristine condition

**A 60% grade or better is required to obtain high school credit.

CREDITS ISSUED BY WEST-MEC

- High School - 2.5 elective credits (1.25 credits per semester)
- This program satisfies AZ university’s admissions requirements. (AZ Board of Regents CTE/Fine Arts credit)
- A student who withdraws during the West-MEC program may receive concurrent enrollment college credit based on the number of completed courses. (see post-secondary opportunities)

POST-SECONDARY OPPORTUNITIES (OPTIONAL)

- This program, in partnership with Maricopa Community Colleges, provides Concurrent Enrollment college credits for students.
  Concurrent Enrollment means that students earn college credits for classes taught at the college campus, by college faculty. Upon the completion of the program, the credits transfer to specific degrees at a community college or university.
- West-MEC pays the students’ college tuition (in-state only; non-resident is responsible for the difference between in-state and out-of-state tuition). Students are responsible for college textbooks and uniforms.
- Details about Concurrent Enrollment credits and post-secondary pathways are updated on our website https://west-mec.edu/dual-enrollment

The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District.

The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, gender, age, or disability in admission to its programs or activities. For Title IX/504 concerns, call the following number to reach the appointed coordinator: (480) 731-8499. For additional information, as well as a listing of all coordinators within the Maricopa College system, visit http://www.maricopa.edu/non-discrimination.

Program information may change as West-MEC strives to provide the best opportunities for students. Refer to www.west-mec.edu for most current information. Program is taught by industry certified instructors. West-MEC does not discriminate on the basis of race, color, national origin, gender, age, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations.

Revised 9/9/2021

Session 1  7:00 AM - 9:30 AM
Session  2 1:00 PM - 3:30 PM

NOTE: West-MEC & high school calendars may not align

ENROLLMENT INFORMATION

- West-MEC programs are competitive.
- Students may only be enrolled in one West-MEC Central Program at a time.
- The order for filling seats by grade level is as follows:
  - Current sophomores or juniors
  - Current seniors
- Applications are ranked in part by attendance, GPA, discipline, and career choice (ECAP)
- Copy of birth certificate and immunizations due at the time of registration
- Program hours are not excused for participation in extracurricular activities, athletics, or employment.
- West-MEC priority application submission date is in February. Contact your school counselors for your school’s application deadline.
- West-MEC provides accommodations and modifications identified in the IEP/504 for high school students. Students who graduate from high school or have a GED will not be eligible for IEP services. Graduated students will need to self-advocate for reasonable accommodations that are aligned to industry certifications.

STUDENT SUCCESS INDICATORS

- History of good attendance and discipline, and on track for graduation
- Strong interest in a chosen career pathway
- Manual dexterity and physical ability to use tools, equipment, and machinery
- Ability to get along with other students and cooperate with instructor
- Ability to work accurately/follow procedures to an industry-standard
- Strong technical reading and study skills; the textbook for this course is written at the college reading level

CREDITS ISSUED BY WEST-MEC

- High School - 3 elective credits (1.5 elective credits per semester; high school credits are awarded each semester)
- This program satisfies the AZ university admissions requirement. (AZ Board of Regents CTE/Fine Arts credit)

Program information may change as West-MEC strives to provide the best opportunities for students. Refer to www.west-mec.edu for most current information. Program is taught by industry certified instructors. West-MEC does not discriminate on the basis of race, color, national origin, gender, age, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations.

Revised 9/8/2021
ONE-YEAR - 260-hour program
IN PARTNERSHIP WITH MARICOPA COMMUNITY COLLEGES

- Deliver critical life-support care using a wide variety of medical and diagnostic equipment
- Experience fast-paced emergency situations where your actions make a difference
- Treat a wide range of patient conditions through a deep understanding of the human body

A Program of Study in Emergency Response and Operations in partnership with Maricopa Community Colleges consists of Fire Science for one year and by Emergency Medical Technician (EMT) for one year. Successfully completing the West-MEC Fire Science and EMT courses and certifications enable students to meet the three (3) prerequisites needed for admission to the Glendale Community College Fire Department Operations course, widely known as the “Fire Academy.” The “Fire Academy” is specifically for students seeking a career in fire service. Additionally, students who complete the West-Mec EMT program and CPR will fulfill several prerequisites needed for admission to the Glendale Community College Paramedic Program.

PROGRAM REQUIREMENTS*

- Current Sophomore and Junior students may apply
- Unweighted high school GPA of 3.0 or better OR Reading Placement Scores (Must Meet Criteria From One):
  - Accuplacer Next Gen: 249 or higher
  - Accuplacer Classic: 74 or higher
  - EdReady Critical Reading: 90 or higher
- Copy of unofficial high school transcript
- Proof of residency in West-MEC district boundaries
- Immunizations must be up-to-date/ no exemptions
- State issued ID, driver’s license, or driver’s permit due at time of registration
- Proof of citizenship & 1-year Arizona residency due at time of registration (non-resident is responsible for the difference between in-state and out-of-state tuition)
- Students cannot miss any hours in EMC101, can miss no more than 2 hours in EMC102, and can miss no more than 8 hours in EMC104; make-up hours are not guaranteed and mandatory attendance for the first day of each course, as well as all testing dates, exams, and clinicals.
- Students must be able to meet the physical demands of the program

*Program requirements are subject to change per industry age restrictions, certification requirements, and administrative discretion.

Meeting application criteria does not guarantee enrollment.

The Accuplacer test is available at no charge at:
- EMCC @ West-MEC Southwest Campus - 623.935.8445
- Estrella Mountain Community College Testing Center - 623.935.8860
- Glendale Community College Testing Center - 623.845.3000

For resources to help with Accuplacer or EdReady visit: estrellamountain.edu/students/testing-services

COST REQUIREMENTS

Upon acceptance into the program:
- $350.00 registration fee (includes $125 non-refundable) - includes enrollment processing and lab fees.
- Uniform shirts ($15 each); a watch with seconds hand ($20); uniform pants ($40); black steel toe boots ($40); a black leather belt ($20) are purchased by the student. Prices are approximate and may change.
- The dress code is reviewed annually to meet professional industry standards. The dress code will be addressed at orientation.
- EMT books - $225.00 (college textbooks are purchased by the student)
- Success in the program depends upon the student having access to a personal computer (no Ipad or tablet) and reliable internet outside of class to complete assignments and tests.
- After Early Graduation, Graduation, or GED completion, additional program fees will apply.

INDUSTRY CERTIFICATION

FEES REIMBURSED BY WEST-MEC

- These industry credentials are required for employment in the field a majority of the time
  - National Registry of Emergency Medical Technicians
  - American Heart Association CPR/AED
- This industry credential is relevant for employment in the field with employers who contract with FEMA for the deployment of special teams for disaster response or those wishing to pursue a degree as a paramedic or firefighter.
  - Federal Emergency Management Agency- National Incident Management 100, 200, 700, 800

Program information may change as West-MEC strives to provide the best opportunities for students. Refer to www.west-mec.edu for most current information. Program is taught by industry certified instructors. West-MEC does not discriminate on the basis of race, color, national origin, gender, age, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations.

Revised 9/9/2021
Emergency Medical Technology 2022-23

CAREER PATHWAYS

- Ambulance emergency medical technician, paramedic, EMT, firefighter*, emergency room technician*; knowledge obtained in this program is transferable to a broad spectrum of careers
- Entry level salary range: $12.15*** - $14.91 per hour**

*with additional education in this pathway | **Bureau of Labor Statistics, Occupational Employment & Wages | ***AZ minimum wage

CREDITS ISSUED BY WEST-MEC

- High School - 2 elective credits
- This program satisfies AZ university admission's requirements. (AZ Board of Regents CTE/Fine Arts credit)
- A student who withdraws from the West-MEC program may receive concurrent college credit based on the number of completed courses.

CREDITS ISSUED BY COMMUNITY COLLEGE

- This program, in partnership with Maricopa Colleges, provides Concurrent Enrollment college credits for students. Concurrent Enrollment means that students earn college credits for classes taught at the college campus, by college faculty. Upon the completion of the program, the credits transfer to specific degrees at a community college or university. Students who complete the following sections will receive the following college credits: EMC101 0.5 credits, EMC102 3.0 credits, EMC104 12.5 credits, CPD180 3.0 credits.
- Concurrent Enrollment means that students earn college credits for classes taught at the college campus, by college faculty. Upon the completion of the program, the credits transfer to specific degrees at a community college or university.
- West-MEC pays the students' college tuition (in-state only; non-resident is responsible for the difference between in-state and out-of-state tuition). Students are responsible for college textbooks and uniforms.
- Details about Concurrent Enrollment credits and post-secondary pathways are updated on our website [https://west-mec.edu/dual-enrollment](https://west-mec.edu/dual-enrollment)

The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District.

The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs or activities. For Title IX/504 concerns, call the following number to reach the appointed coordinator: 1-800-731-8499. For additional information, as well as a listing of all coordinators within the Maricopa College system, visit [http://www.maricopa.edu/non-discrimination](http://www.maricopa.edu/non-discrimination).
ENERGY & ENGINEERING TECHNOLOGY

TWO-YEAR PROGRAM - 900-hour program
IN PARTNERSHIP WITH APS, PALO VERDE & ESTRELLA MOUNTAIN COMMUNITY COLLEGE

- Utilize emerging technologies to sustainably meet increasing energy demands
- Design, construct and maintain industrial, mechanical, electrical, and automated systems
- Identify and apply creative solutions, as part of a team, to complex engineering challenges

PROGRAM REQUIREMENTS*
- Current Sophomore, Junior, and Senior students may apply
- One credit of English with a C or better
- One credit of Math with a C or better
- Students who do not meet program requirements may apply under a “Student Success Action Plan” through their high school counselor.
- Copy of unofficial transcript
- Proof of residency in West-MEC district boundaries
- Program hours are not excused for participation in extracurricular activities, athletics, or employment.

*Program requirements are subject to change per industry age restrictions, certification requirements, and administrative discretion.
Meeting application criteria does not guarantee enrollment.

COST REQUIREMENTS
Upon acceptance into the program:

- $125.00 non-refundable registration fee includes enrollment processing, supplies, leadership development, & uniform shirts. Other uniform/supply requirements are the responsibility of the student.
- Dress code is reviewed annually to meet professional industry standards. Dress code requirements will be addressed prior to the start of classes.
- Optional dual enrollment will result in additional fees.
- After Early Graduation, Graduation, or GED completion, registration fee and tuition will apply*

*Details regarding additional tuition costs are available here

INDUSTRY CERTIFICATION
TEST FEES PREPAID BY WEST-MEC

- This industry credential is preferred for employment in the field a majority of the time is sought after by employers, candidates with this industry credential are likely to be given priority in hiring over others who do not hold it
  - OSHA-10 General
- This industry credential is relevant for employment in the field a majority of the time is acknowledged by employers, candidates with this industry credential will signal to employers knowledge in the area but may not get priority in hiring over someone with industry experience
  - National Center for Construction Education and Research (NCCER)
    - Year 1: Core Curriculum, Alternative Energy, Level 1 Industrial Maintenance Mechanic and E&I Technician,
    - Year 2: Level 2 Industrial Maintenance Mechanic, Level 2 E&I Technician

CAREER PATHWAYS
Graduates of this program should qualify for a variety of careers as an on-the-job trainee or apprentice in fields such as Electrical, Electronics, Instrumentation and Controls, Mechanical Technician, Engineering Technician, Power Plant Generation, Industrial Plant Operations, and Energy Transmission and Distribution, CTE teacher*

Entry level salary range: $18.32 - $28.60 per hour**

CREDITS ISSUED BY WEST-MEC

- High School - 6 elective credits (3 elective credits per year; high school credits are awarded each semester)
- This program satisfies AZ university’s admissions requirements. (AZ Board of Regents CTE/Fine Arts credit)

POST-SECONDARY OPPORTUNITIES (OPTIONAL)

- West-MEC has a strong partnership with Maricopa Colleges and we strive to provide robust post-secondary opportunities for students.
- Dual Enrollment is for eligible High School students who want to earn college credits while taking West-MEC courses.
- Students can earn community college credit for classes, and upon graduation, transfer the credits towards specific degrees at community college or university.
- High school graduates or students with a GED are not eligible to participate in Dual Enrollment.
- Due to staffing and curriculum changes, we advise the following:
  - Dual Enrollment is offered based on West-MEC faculty qualifications.
  - Dual Enrollment may not be offered in every program or on every campus.
  - Dual Enrollment credit offerings and college pathways are finalized every year during the first month of school.
- Post-secondary pathways, including Dual Enrollment, are updated on west-mec.edu/dual-enrollment

- Details about Concurrent Enrollment credits and post-secondary pathways are updated on our website [https://west-mec.edu/dual-enrollment](https://west-mec.edu/dual-enrollment)

The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District.

The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs or activities. For Title IX/504 concerns, call the following number to reach the appointed coordinator: (480) 731-8499. For additional information, as well as a listing of all coordinators within the Maricopa College system, visit [http://www.maricopa.edu/non-discrimination](http://www.maricopa.edu/non-discrimination).

Program information may change as West-MEC strives to provide the best opportunities for students. Refer to [www.west-mec.edu](http://www.west-mec.edu) for most current information. Program is taught by industry certified instructors. West-MEC does not discriminate on the basis of race, color, national origin, gender, age, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations.

Revised 9/9/2021
